Worksheet: How will my degree help me land a job?

1. Prior to watching this lesson, what did you consider the most important part of your degree program? In what ways did this lesson confirm what you thought? In what ways did it change your perspective?

2. Evaluate the key skills employers look for in job candidates presented in the video lesson, and identify your top 5 marketable skills. During your graduate program, when did you develop and apply these skills with success?

3. At the end of this lesson, Dr. Wood suggested three possible "next steps." As you reflect on your current knowledge and understanding of the job search process, which lesson will you complete next? List the lessons that you need to complete, with a date and time that you'll complete them. Make sure to block off the time in your calendar and set a reminder so that you can keep moving forward in your job search.
